

What We Do

Our mission is to support schools by providing opportunities for teachers to work together to face the challenges of the changing educational landscape both nationally and in the context of our corner of south west London.

We offer a programme of meetings, networks and training to facilitate the sharing of good practice and resources with input from expert practitioners. Staff/delegates/ can reflect on the best solutions to the issues that they face and interventions can be jointly planned and evaluated. Our own staff can offer perspectives around engaging the hard to reach.

Meetings are held at Malden Oaks in Ham, between the boroughs of Kingston and Richmond. There is parking on site and in the street and our home-made cake is legendary. We look forward to welcoming you to an event in our programme for 2017/18.

**Malden Oaks School,
The Dukes Centre,
Dukes Ave,
Kingston upon Thames
