

Malden Oaks Pupil Referral Unit is governed by a Management Committee which has similar responsibilities and powers to a Governing Body in a mainstream school.

The Management Committee comprises 12 representatives from: the Local Authority (1), our local community and schools (8), our staff (2), and a parent representative.

There are four sub-committees in operation; each meets at least once a term:

- Core Strategy sub-committee
- Behaviour, Safety and Welfare sub-committee
- Finance, Personnel and Premises sub-committee
- Teaching and Achievement sub-committee

There is also a Head teacher's Performance Management sub-committee.
